

THINK STEEL. THINK US.

With almost 600,000 tons of Group's annual turnover across the GCC, DBMT Steel is one of the leading structural steel distributors in the GCC.

We supply steel for various applications including Oil and Gas,

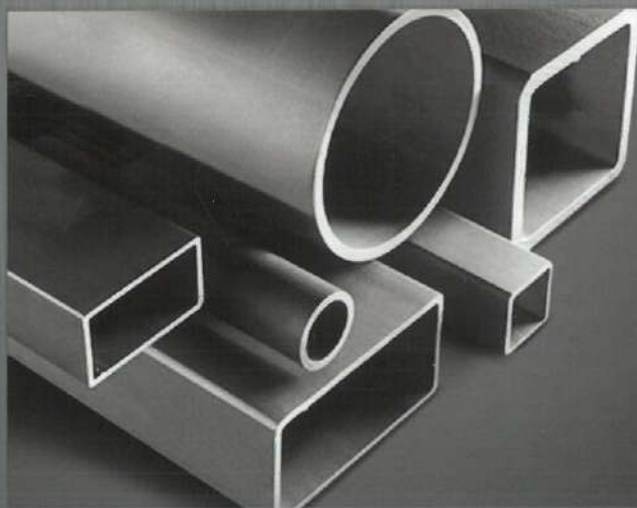

ABOUT US

Engineering and Construction through our outstanding distribution network. With a strong presence in the GCC, the company covers all of the key steel markets, from emerging to mature.

Over the years, DBMT has earned a reputation as a trusted and reliable partner. Our time-tested relations with our clients on one hand and renowned steel suppliers around the world on the other is a testament to the growing stature we behold.

WE SOURCE STEEL

Products from some of the best steel producers in the global market and enjoy excellent terms with leading producers, their subsidiaries and export houses which is indicative of our

commitment to quality.

Given the global demand for steel, we maintain business terms with leading producers in Korea, Japan, Europe, India and China.

In all cases, the quality of finished product supplied is guaranteed.

We can source any particular specification and quantity of steel product if these can be provided by producers. There is, otherwise, no limitation or constraint to what we can supply to our clients.

WHY CHOOSE DBMT?

- ▶ COMPETITIVE PRICES ▶ EXTENSIVE STOCK RANGE ▶ QUALITY MATERIAL ▶ NICHE PRODUCTS
- ▶ RELIABLE EFFICIENT SERVICE ▶ ON-TIME DELIVERY ▶ FRIENDLY AND HELPFUL STAFF

SOURCING STEEL FROM AROUND THE WORLD FOR A SUSTAINABLE AND SAFE TOMORROW.

STEEL STOCKHOLDING & DISTRIBUTION

DBMT is recognized as the premier provider of steel stocks in the Middle East. We successfully cater to the needs of the oil and gas and the construction industry since 1986. At DBMT, we stock long and flat steel products, galvanised iron and aluminium sheets. Our products, are available in a wide range of sizes and grades for different application, be it oil and gas, construction or fabrication. All the steel is backed by mill test certificates. Our knowledgeable sales personnel supported by state of an art logistics and order-processing facility will go the extra mile to service your needs efficiency at very competitive rates. ►►

THE TEAM

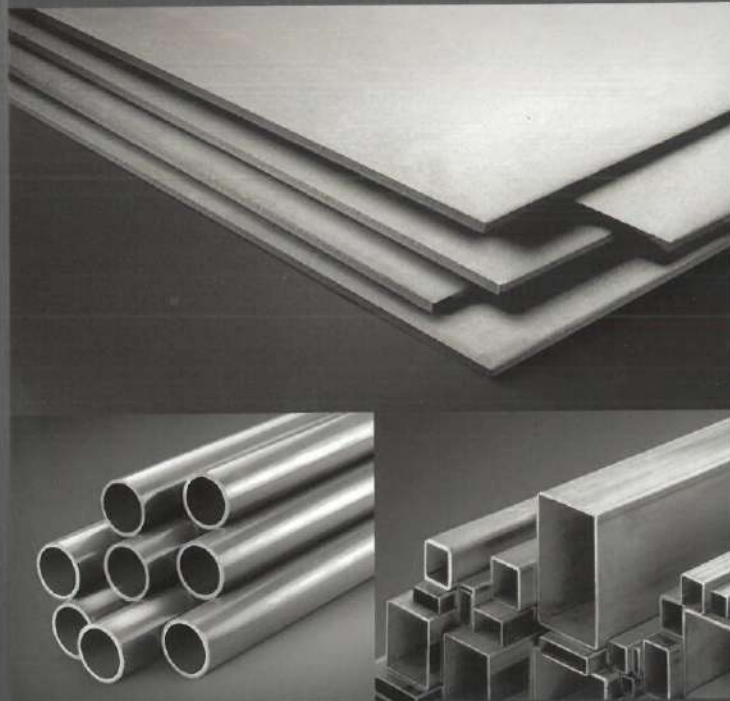

Our Management Team collectively share a vast experience and knowledge of working in the steel industry and this helps to ensure that we direct the business in the best possible way to satisfy customer expectations. It is this ability combined with highly efficient logistics solutions that helps to differentiate our Company from other steel trading businesses to provide a competitive advantage.

If you are searching for steel products that are not readily available by virtue of their shape, length, steel specification, special tolerances or surface finish, our team would welcome the challenge of finding you a solution.

OUR NETWORK

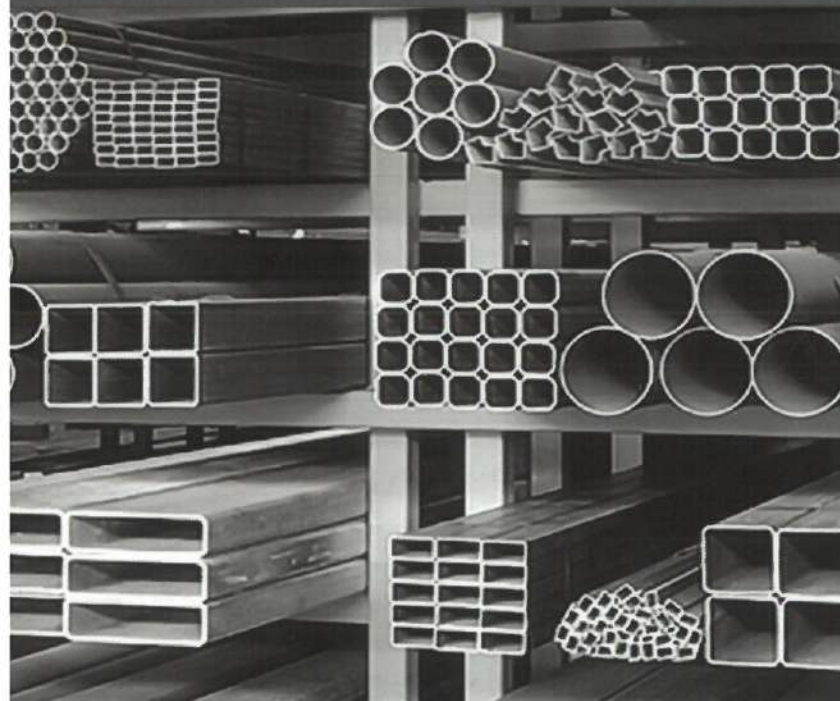

We have distribution channels in Oman, UAE, Qatar, India, Kuwait & KSA supplying steel from our Stockyards across GCC. We receive quality mill support, enabling us to supply fully certified steel products at the most comprehensive prices. We are focusing our efforts for future growth on the emerging economies.

OUR PRODUCTS

Our scope of supply is not limited, we cater to, Oil and Gas, Construction, Foundation, Fabrication, Packaging, Automotive, Energy and Power Sector. A brief overview of our products/grades is as follows:

FLAT PRODUCTS

HOT / COLD ROLLED COILS
CONSTRUCTION STEEL PLATES (CARBON STEEL)
GALVANIZED COILS / SHEETS
SHIP BUILDING / PRESSURE VESSEL

LONG PRODUCTS

BEAMS
CHANNELS (UPN/PFC/JIS)
HOLLOW SECTIONS
MERCHANT BARS
CIRCULAR HOLLOW SECTIONS/PIPES
ANGLES

QUALITY POLICY

The Quality Policy at DBMT is based on customer satisfaction.

We strive for continuous improvement in our quality systems and meeting the objective of the company.

HEALTH & SAFETY POLICY

- Supplying products that meet our customer's requirements
- Providing service that results in customer satisfaction
- Continuous development of a dependable vendor base

We are committed to continuous improvement in quality and the assessment of the quality system to assure its suitability to meet the requirements of our company and requirements of our customer.

By meeting our objectives defined within our quality policy, we will be able to:

- Provide defect free products
- Provide customer satisfaction by providing: 1. On time deliveries 2. All contract requirements are met 3. Exceptional product quality 4. Exceptional service quality
- Assist vendors and work with subcontractors to reduce late deliveries and delivery of defective products

Our commitment to the Health and Safety of all employees both on and off the job is a clear component of our brand promise.

We will work vigorously towards a goal of zero accidents and injuries. To achieve this through our Safety Management Systems including the continuous improvement principle, we ensure:

- Safe and healthy working conditions
- A commitment to continuous improvement
- Compliance with relevant legislation, regulations and other legal and industry requirements
- A management system with objectives and targets that are reviewed annually by senior management
